

TABLE OF CONTENTS

ENGINEERING SECTION

| | | | |
|--------------------------------|----|----------------------------|-----|
| Introduction..... | 4 | Troughs..... | 82 |
| Material Characteristics | 5 | Flange Gaskets | 89 |
| Materials Table | 6 | End Flanges | 90 |
| Capacity | 13 | Saddles and Feet..... | 91 |
| Capacity Table..... | 15 | Discharge Spouts..... | 92 |
| Component Selection | 17 | Rack and Pinion Gates..... | 94 |
| Component Series Table | 21 | Pneumatic Gates | 98 |
| Horsepower Calculation..... | 22 | Covers | 102 |
| Torque Capacities | 26 | Clamps | 106 |
| Drive Arrangements | 29 | Inlets | 107 |
| Belts Guards..... | 30 | | |
| Screw Feeders | 31 | | |
| Inclined Screw Conveyors | 32 | | |

COMPONENT SECTION

| | |
|--|----|
| Conveyor Screws..... | 33 |
| KWS Quick Key | 46 |
| Conveyor Screw Components..... | 49 |
| Shafts..... | 50 |
| Hangers..... | 52 |
| Hanger Bearings | 53 |
| Hanger Pocket | 54 |
| Special Screw Conveyor Weld Finishes | 48 |
| Trough Ends..... | 62 |
| End Bearings..... | 74 |
| Thrust Collar..... | 76 |
| Roller Thrust Bearing..... | 78 |
| Seals..... | 79 |

BUCKET ELEVATOR SECTION

| | |
|--|-----|
| Centrifugal Discharge Bucket Elevators..... | 119 |
| Positive Discharge Bucket Elevators..... | 119 |
| Continuous Bucket Elevators..... | 119 |
| Hi-Capacity Centrifugal Discharge Bucket Elevator | 120 |
| Elevator Buckets | 122 |

SUPPLEMENTAL DATA

| | |
|------------------------------------|-----|
| Layouts..... | 111 |
| End Flange Bolt Patterns..... | 115 |
| Installation and Maintenance | 117 |
| Drag Master Conveyors..... | 124 |
| Terms and Conditions..... | 121 |
| Safety | 125 |
